■ About The College

Further with a generous attitude of giving back to the society, the organization stepped into Higher Education and established Bunts Sangha's S.M.Shetty Educational Institutions, The journey of Junior College started way back in 2003 with few students and teaching staff. The academic performance of an institution is the yard stick used for gauging its stature in the society. The HSC Board Examination results show the academic progress of the Junior College. The result of Junior College right from the inception has always been above 99% at the Board Examination. Many a times we had secured even cent percent result both in Science & Commerce stream.
