

LEARNING IS NOT ATTAINED BY CHANCE, IT MUST BE SOUGHT FOR WITH ARDOR AND ATTENDED TO WITH DILIGENCE.

Learning happens when we forge bonds with the others and come out of our comfort zone.

*Our students had a **tete – a tete** with the medical college students of Taiwan in our school library.*

Students briefed them about the SSR activities conducted in our school. The Taiwanese students, too shared a lot of information with our eager to learn students. It was an enriching experience for all.
