

Circular Sec / 06 / 2019-2020 STD VI TO X

July 12, 2019

Dear Parents,

The academic year 2019-20 has commenced with full gusto and it is always a pleasure to see our children enter their new classrooms with enthusiasm and curiosity. It is our aim to ensure that the flame of enthusiasm continues to burn inside them throughout the year and their curiosity is channeled in the right direction.

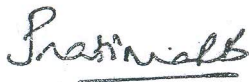

As some of you may be aware, Bunts Sangha's S.M. Shetty High School & Junior College is one of the few educational institutions with a fully equipped **COUNSELLING CENTRE** on the 3<sup>rd</sup> floor, room 325, within the school building. Psychologists and Special Educators of the Counselling Centre provide a broad spectrum of services, in the areas of academic intervention and behavior modification. Through these services, the Counselling Centre aims to:

- ensure a safe and healthy learning environment for all students,
- address classroom behaviour and discipline,
- promote students' academic success,
- equip students to address their emotional needs and furnish them with appropriate social skills.

In addition, the Centre's Special Educators provide remedial services to students who have been identified with special educational needs. Remedial education includes providing individualized basic skills instructions to students who have identified deficiencies in reading, writing and math and designing lesson plans to cater to their individual learning needs.

As a parent, if you believe that your child would benefit from assistance in any of the above areas, please do contact us on any of these numbers 022-61327339/340/343/344/345) for an appointment during school hours. We provide a FREE service to all our students.

Best wishes and Regards

Pratima Bhandarkar  
Head, Counselling Centre

Seema Sabhlok  
Principal
