

**Bunts Sangha's
S.M Shetty High School & Jr College
MONTHLY REPORT DEC – JAN 2020 – 21**

Unfazed by anything, imbibing the spirit of our Motherland, Bunts Sangha's S.M. Shetty High School & Jr College ended the year 2020 on a positive note.

Standard X began with **virtual Science Practical** sessions from December 4, 2020 which were streamed live from the Science Lab. Students got to witness firsthand the experiments being conducted with explanations supplemented by the Science teachers and demonstrated in real time with the help of the Lab Assistant Mr. Amrut Pol.

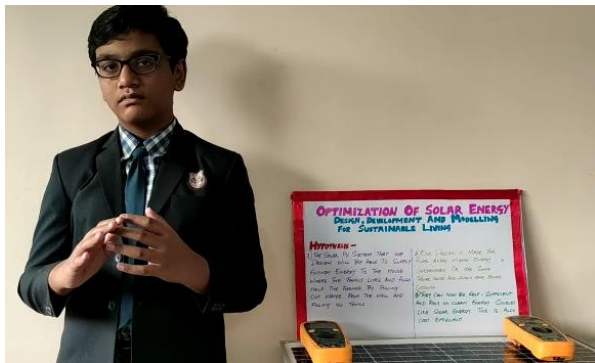

'Mind your Sport' was an exciting webinar conducted live on Youtube by the Counselling Department on December 18, 2020. A candid conversation was conducted by our esteemed panelists on sports, psychology, mental training for endurance on sports and a lot more.

The **undaunting spirit** of the people of **Punjab** infused with the **magic** of **Rajasthan**, the **regal Karnataka** and the **magnificent Maharashtra**, was showcased in the **two days Virtual Annual Exhibition** conducted by Bunts Sangha's S. M. Shetty High School & Jr College. The sequel to last year's Annual Exhibition, it not only **blended learning with fun** but also assumed an **international Brazilian** touch this academic year.

Coming together to celebrate our joys and reaffirming that we are family was the essence of the **teachers' get together** on December 24, 2020. All the teachers were glad to see each other after a span of 9 months. It was an overwhelming experience for all.

We live our life to the fullest by winning and accomplishing our goals and

celebrating each moment with zest. Our project, 'Optimization of Solar Energy' has been selected for the Pre - State level in NCSC. Guided by their Science teacher Ms. Poornima Shetty, our students put in their best efforts towards this achievement.

Our parents and teachers attended a very valuable and informative session of how to be a responsible netizen. **Cyber Smart School**, an exclusive session was conducted on Jan 9 and 11, 2021 by the WNS Cares Foundation on a virtual platform.

'Educating the mind without educating the Hear is no education at all.' Our Institution invited all the parents, students and friends to join them in an open dialogue **'3 H in Education'** between four versatile and

exuberant academicians on the changing educational landscape, conducted live on Youtube on Saturday January 9, 2021.

Our budding champs participated in the Inter House Push Ups Competition held on Jan 6. The Junior and Senior Boys and Girls showcased that they exercised regularly in the lockdown.

The Inter House Vrikshasana Competition held on Jan 7 proved that our students know the importance of mind and body fitness. The final round was held on Jan 9, 2021.

We celebrate each moment. Nothing stops us and nothing can stop us. This is the maxim we live by.
