

**Bunts Sangha's
SM Shetty High School & Jr College
MONTHLY REPORT JAN – FEB 2021**

‘The time is always right to do what is right’. Bunts Sangha's S.M Shetty High School & Jr College doesn't leave any stone unturned to do what is right. Cyber Smart Sessions, ‘Cyber Smart School’ were organized for the parents, teachers and students by Responsible Netism.

Bunts Sangha's S M Shetty High School and Junior College strives to fulfil its mission, **‘Personality Development for Nation Building’** in every realm of education.

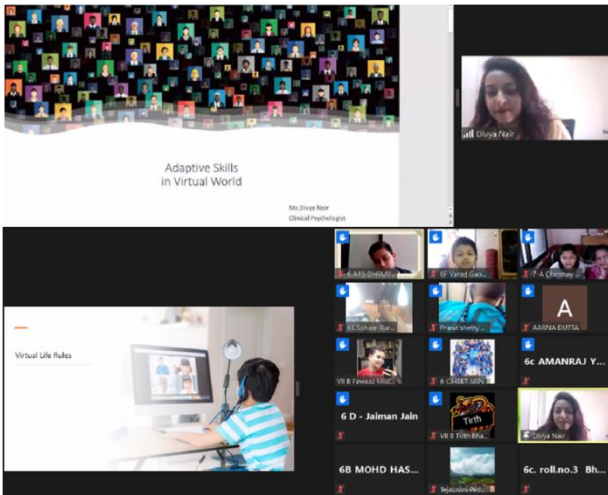

We endeavoured to do something that's **above and beyond** what's expected. Yes, we are proud to have celebrated the **Annual Sports Meet** on February 5, 2021 on a virtual platform. Our

mascots, Tom & Jerry symbolise our invincible spirit. The sports magazine ‘Testimonials’ was released with great pride. The Annual Sports Meet showcased that we did not let anything, even the pandemic, for that matter, come between us and our passion to stay fit and achieve our goals. Sports were conducted with the click of the mouse, Fit bands and all. Technology paved its way making us innovate our activities to a different level.

Preparation doesn't assure victory, it assures confidence. Dr. Harish Shetty along with the Counselling Centre professionals conducted a very interactive session for the students and parents of Std X. **‘Exam Readiness’** was a much needed session that put everyone to ease. Dr Harish Shetty, as usual, enthralled everyone with his witty yet valuable tips.

The Fourth Formative Assessment (Std VI to VIII) &

Second Unit Test (Std IX) were held diligently. Students appeared for the online assessments.

‘The Invisible Friends’ was a lovely session conducted on February 6, 2021 for Std VIII students by the Counselling Centre. The one hour session was very lively and interactive.

Change is the only constant in life. One’s ability to adapt to those changes will determine your success in life. A Brilliant session was conducted by the Counselling Department for the students and parents of Std VI and VII. **‘Adaptive Skills in Virtual World’** was a session that was the need of the hour.

We are also proud to announce that our **Science Short Film** entry for the National Science Children’s Congress titled **‘The invisible enemy’** by **Ms. Kalawati Panchal** has cleared the first round with First Rank.

Bunts Sangha’s S.M Shetty High School & Jr College is ready for the change as it's so rightly said that **ONLY HE WHO CAN SEE THE INVISIBLE, CAN DO THE IMPOSSIBLE.**
