Vaccination Drive for Std X Students at Buntara Bhavan, Kurla

Vaccination Drive for Std X Students at Bunts Sangha's SM Shetty High School & Junior College, Powai

January began on repeat mode with us once again resuming purely online methods of instruction due to guidelines by the State Government. But this did not deter us from organising interesting and challenging activities.

With the rising cases, our Std X students were the key areas of concern due to the upcoming SSC Board exams. We arranged a free **Covaxin Vaccination Drive for the Students** who had completed 15 years of age at Buntara Bhavan, Kurla on 11th and 12th of January. On 14th January it was held in the school premises for Std X and on 15th it was arranged for eligible students of Std IX. Covaxin was mandated due to its short interval between two doses so that all our students would be completely vaccinated
