

Monthly Report 2021-22
11 October – 10 November 2021

The month of October brought a new vibrance with it as we welcomed students back to school after a hiatus of a year and a half.

Science Practicals were conducted in school beginning from 12th October for the students of Std X. Students were welcomed and instructed regarding the Practicals keeping all the COVID protocols in mind.

Std IX and X had their **Offline cum Online Semester papers** beginning from 20th October and Std VI to VIII had the **Online Summative Assessment** beginning from 22nd October. Appropriate arrangements were made to conduct both modes i.e. online and offline assessments.

A demo class on **Hybrid Classroom** was conducted by Mr. Akhilesh Singh on 29th October. He demonstrated the mechanisms involved in conducting a hybrid class involving both offline and online teaching to be followed when the school reopens after Diwali vacations. The teachers also participated both offline and online to check the feasibility, effectiveness and challenges of this new way of teaching.

Open House was arranged on 30th October in a novel way for standards VI to X. Parents were first given a Google Form to fill regarding any queries they may have. The answers to the queries were presented on the Open House in the form of a PowerPoint Presentation by the class teachers. Parents appreciated this new way of conducting the Open House as they had many of their doubts resolved.

Diwali vacations commenced from 1st to 14th November.

In keeping with the traditions of previous year's, this year too we initiated the '**Joy of Giving**' for our housekeeping and security staff. 100% contribution was received towards this initiative from the secondary section. A programme was organized on 2nd November to present them with the same. This small venture brought immense happiness to the lives of our support staff and helped brighten their Diwali.

Thus the month ended on a joyous note and helped reach out to students, parents and support staff. With this we conclude the first term and gear up for the second term.
