

Monthly Report 2021-22 11 March – 10 April 2022

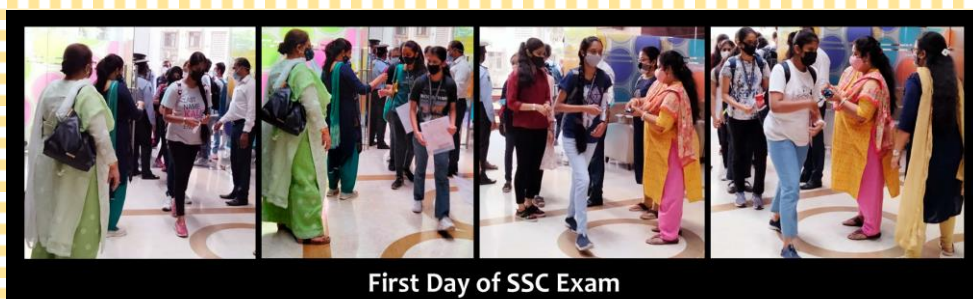

The month of March saw a lot of activity related to academics with the anxiously awaited board examination and the final assessments. In spite of our target being towards curricular activities we still made time to include some fun activities.

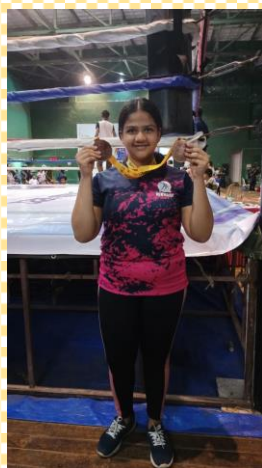

Logic Mills conducted a game related activity for Std IX to test their **Situational Intelligence (SQ)** using a tool called **MirMe**. This tool determined the student's ability to solve problems in a dynamic environment with evolving challenges with the help of a final score that was obtained.

SSC Board Examination

commenced from 16th March with the Marathi paper. We were the centre for our students itself this year due to COVID guidelines. The students were welcomed joyfully

with chocolates and made to feel comfortable so that they could give their best.

An **internal assessment** for each subject was conducted from 21st March which was based on the Annual Day. The links of the Formal Function, different states - Tamilnadu, Arunachal Pradesh, Jammu and Kashmir, Chhattisgarh and country - Indonesia were sent to the students as study material. The questions for the assessment were taken from the respective link.

Our student Ms. Neerja Chavan from class VIII B won two bronze medals on 19th March at the **Mumbai Mayor Kickboxing Championship 2022** conducted by Mumbai Kickboxing Association in the Point Fight and Light Contact Category.

The **SSC batch 2022-23** started their session from 28th March. They were introduced to the curriculum and requirements of SSC Board Examination.

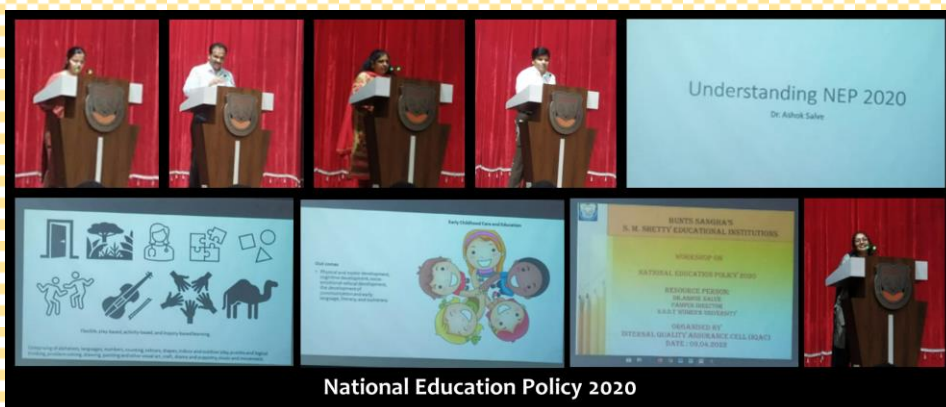

Mrs. Leela Sharma, Mrs. Pratiba Chavan, Mr. Shrikant Chavan, Mrs. Meera Kadam and Mrs. Aparna Chandra Awasthi from Isha Foundation conducted the **Save Soil Campaign** on 31st March for students of Standard VI, VII and VIII. They created awareness about the Save Soil Campaign initiated by Sadhguru and encouraged the students to bring about concrete changes by letting their

voices be heard by the nation's leaders through a letter addressed to the Prime Minister.

An **Integrated Arts session on Music, Art and Dance (MAD)** was organized for students of Std VII students on 5th April. Students were encouraged to express their creativity in the form of music, art and dance. As the choir group sang, the dance group performed to its beats while the art group created an artwork interpreting the music. Finally all the students assembled were asked to present their own abstract art form on paper.

Dr. Ashok Salve, Campus Director of SNTD Women's University conducted a session on the **National Education Policy 2020** for teachers of all sections on 9th April which was organised by the Internal Quality Assurance Cell of the Junior College. He briefed the staff on the

reshaping and restructuring of the educational system beginning from the foundational years

to the higher studies. He dealt with the similarities and differences of both the old and the new system.

Though we may be approaching the close of the current academic year we are already gearing up for the new academic session and building on our skillset to deal with whatever may come our way.
