

11th May - 10th June 2022-23

Monthly Report

The month of May provided a welcome break from the sweltering summer heat and the daily routine. This break was well-used by the teachers to gear up for the upcoming academic year which also happens to be the 25th Jubilee year.

Dr. Meena Babujaya won the **Consolation Prize in the Abhang Gyan Sparda** held by the Yashashri Sangeet Kala Academy held on 15th May.

The Junior Group Guide teacher Ms. Kalawati Panchal, Ms. Kirti Khedkar and Ms. Aarna Dutta secured the **Consolation Prize at the National Level** of the GMRT Virtual Science Exhibition 2022 for their project 'Power the world with smart footsteps' on 25th May.

School reopened for teachers on 6th June with exhilarating

fervor to give their best in the 25th year of the Institution.

The letters written by our students of Std VI, VII and VIII during the 2021-22 academic session for the **Save Soil Campaign** initiated by Sadhguru and the Isha Foundation were presented before Prime Minister, Mr. Narendra Modi through an exhibition on 6th June.

An **MICM Training** was organized for teachers on 7th June to acquaint them with Attendance, Time Table and Log Book Entry in MICM. This session was conducted by Ms. Sayli Kadam from MICM.

The Counselling Centre headed by Ms. Natasha Mehta along with her team conducted an orientation for teachers on **'Know your Counselling Centre'** on 8th June. The teachers were introduced to the new team and the incharge counsellors

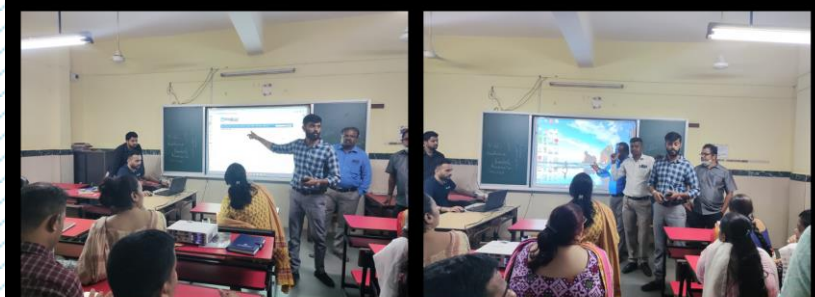

for the Secondary Section. The session consisted of a briefing on the functioning of the counselling centre, learning disabilities, RTI and occupational therapy.

Language Development Meeting

The Hindi, Marathi, English and Sanskrit Language teachers of Primary and Secondary met together on 8th June to chalk out plans to enhance the **core competencies of language development** and plan for the newly introduced reading periods. This session was initiated by our secondary teachers, Mrs. ManjitKaur Bhoee and Mrs. Renuka Singh.

The IT team along with the team from Newline Interactive Tools conducted a training session on how to use the newly installed **Interactive Whiteboard** on 9th June. The teachers were shown the different features of the Teach Infinity program and how to create, save and export files.

Interactive Whiteboard Session

A **teacher's orientation** session was conducted by the Vice Principal, Mrs. Reshma Rao and the Coordinator, Mrs. Rutuja Raut on 10th June. The teachers were briefed about the professional etiquettes and given general instructions to be followed in the coming academic year. They were also introduced to the road map of 2022-23.

Teacher's Orientation

Though the academic session is still awaiting students to join, our teachers are gearing up in every way possible to ensure an impactful and enriching year ahead.
